QUINTA DA BICHINHA | QUINTA DE SÃO GONÇALO

2025

Who are we?

We are a family company whose core business is creating new families. Our estate was passed down to the current generation by our ancestors who have been producing wine here for centuries. Twenty years ago we converted our cellars into wedding venues with a lake as the beating heart of a one million square meters estate.

Located in one of the oldest wine regions in the country - Lisbon - we are still grape producers to this day but our true passion is the magic of wedding hosting and making people feel at home with us.

We are proud to show you what we do best: gorgeous weddings with typical Portuguese food in a breathtaking landscape delivered to you in an almost all inclusive packages. with lots of room for customization. Hope you enjoy them!

The team

Our venues

Our two venues - Quinta da Bichinha and Quinta de São Gonçalo - are both centuries old wine estates rehabilitated as wedding venues, contiguous and connected by fields of vineyards and a beautiful lagoon.

Both Quintas provide an array of different stunning places for every moment of your wedding day, all of them fully available for you and your guests during your stay.

Quinta da Bichinha

Quinta da Bichinha and its typical blue striped and red doors scenery, ancient cellars and bougainvillea make a cozy and unique space encircled by opulent gardens and extensive vineyards. It is an ideal place for celebrations.

Quinta de São Gonçalo

Quinta de São Gonçalo is all about the greenery and big tall trees surrounded by decades long vineyards. With lots of internal and external spaces to choose from whether you want an intimate space to exchange vows, an enclosed courtyard to celebrate or a large room for festive fare.

The Lagoon & The Vineyards

Our Accommodation

You and your guests will have all the accommodation just for you during your stay with us.

In the Bridal House you can start the ritual of getting ready for the big moment while your guests kick off the day on our breakfast room.

We have in total 31 rooms and 2 Bridal Houses all exclusively for your guests to enjoy the day (and night) comfortably.

Furthermore there is one Vineyard House, located in the middle of our ancient vineyards that can be booked for your preparation day and/or wedding night.
